AUDITORIUMS

Venue: Tanuvas Anna Auditorium, Perimet, Chennai 600030

Problem & Solution:

Tanuvas sought a speaker system capable of providing uniform coverage throughout their venue, specifically excluding the need for point source speakers. In response, dB Sound has proposed a line array system, an ideal solution known for its ability to deliver consistent sound distribution. This system is anticipated to perform exceptionally well within the auditorium setting, meeting Tanuvas requirements for comprehensive and even sound projection.
