BARS / CLUBS / PUBS

Venue: KNOCK OUT Bar & Kitchen, Baner, Pune 411045

Problem & Solution:

On September 11, 2025, I met with Mr. Ameya Kandalkar, owner of Knockout Sports Bar, who was seeking an affordable yet powerful audio system, having previously considered the Nova Star. Our initial consultation focused on understanding his musical preferences and desired decibel levels. Despite recommendations for local sellers, Mr. Kandalkar ultimately entrusted us with the project, appreciating our expertise. Over a five-hour discussion, we delved into the sports bar's concept and clarified the intricacies of sound dynamics. After a third meeting, he chose DB Sound, convinced by our experience in audio installations and our guidance away from his initial brand choice, emphasizing system longevity. He is now highly satisfied with the sound quality, clarity, and service provided.
