GOVERNMENT

Venue: Keeladi Museum, Sivagangai, Tamilnadu

Problem & Solution:

DB Sound undertook a prestigious project at an archeological excavation center, tasked with integrating a 7.1 immersive audio experience. The client's vision was to enrich the display of museum artifacts and the historical narrative of ancient findings with a cutting-edge auditory environment. This ambitious endeavor was not only successfully configured, designed, commissioned, and integrated by DB Sound, but remarkably, it was completed within an accelerated timeframe of just 20 days, meticulously aligning with all client specifications. The exceptional outcome garnered commendation from the Honorable Chief Minister, underscoring the Government of Tamil Nadu's profound satisfaction with the installation and DB Sound's exemplary execution.
