

## SURROUNDS C15SR In / On Wall

### Coaxial Surround System

Unlock the ultimate cinematic immersion with the C15SR, a premium speaker engineered for flawless surround and Dolby Atmos reproduction. Utilising a sophisticated 5-inch coaxial driver configuration powered by Lavoce, it delivers a broad, uniform 95° conical pattern that fills your room with pristine, directional audio. Its low-profile, compact design makes it perfect for both in-wall and on-wall setups without sacrificing power or aesthetic appeal. Whether you building a high-end studio or a VIP home theatre, the C15SR brings the true, breathtaking scale of cinema audio straight to the listener.

### APPLICATIONS *Home cinema. Redefined.*
