

LCR SPEAKERS HT38 In wall

Three Way LCR Speaker System

Achieve ultimate high-fidelity cinema realism with the discreet, ultra-slim HT38 Inwall speaker system. This sophisticated 3-way powerhouse features world-class Beyma drivers, harmoniously pairing an 8-inch low-resonant woofer, a 5-inch mid-frequency driver, and a 1-inch titanium dome tweeter within a finely tuned, sealed enclosure. Advanced 3-way filtering and a precise 60-degree conical dispersion pattern ensure an unparalleled, targeted auditory experience that breathes life into complex movie soundtracks. Boasting a shallow cabinet depth for effortless flush-mount installation, it delivers a powerful, Dolby Atmos-ready cinematic performance and seamlessly blends into the aesthetic flow of your private theatre.
