SURROUNDS S6020 In / On Wall

Two Way Surround System

Bring the raw power and high-fidelity depth of commercial cinema into your space with the S6020 system. This robust 2-way speaker integrates a powerful 6.5-inch woofer and a premium 1-inch Lavoce compression driver to effortlessly reproduce highly accurate, digital surround soundtracks just as the creators intended. Its specialised horn design projects an 80-degree conical dispersion pattern, securing a remarkably uniform soundstage so every seat experiences exceptional audio clarity. Perfect for Dolby Atmos setups in boutique theatres, studios, or VIP home cinemas, it offers ultimate installation flexibility with sleek in-wall and on-wall configurations.
