

SATELLITES SAT 4

On Wall Satellite Speaker System

Bring every cinematic experience to life with the SAT 4's incredible depth and precision. This sophisticated, 2-way surround speaker is engineered with world-class SICA Drivers, featuring a 4-inch woofer and a 1-inch treated silk dome tweeter, to deliver robust, crystal-clear sound. An advanced passive crossover ensures flawless audio integration, whether you are building an immersive theatre setup or enhancing your favourite Hi-Fi music. Designed for ultimate versatility, it includes premium mounting clamps and a sleek, ported birch plywood enclosure that looks as stunning as it sounds.
